Subject: Distribution of Summons in a Civil Case -

Dear Glenn,

Good evening.

I am writing to inform you that I have recently received Summons in a Civil Case documents from the United States district court of New Jersey. I have attached the summons along with the complaint. I kindly request that you distribute these documents to your clients, ensuring they are completed and addressed accurately and appropriately within a timely manner, along with screener theo.

As per your prior request, all communications related to this matter must be directed through your firm. I am committed to complying fully with this arrangement and appreciate your assistance in facilitating this process; I have included blanks, alternatively please proceed to direct me how to proceed while honoring our arrangement.

Thank you for your attention to this matter. If we do not receive a response, my wife and I will make arrangements to visit your office in person after the holidays, if necessary. Please note that this may be delayed slightly due to a few family activities we have planned.

Best regards,
Bradley Clonan
